Minutes of the Project Approval Board (PAB) meeting held on 7th April, 2016 for approval of Annual Work Plan & Budget 2016-17 of Rajasthan under the Centrally Sponsored Scheme of the integrated Rashtriya Madhyamik Shiksha Abhiyan (RMSA).

A meeting of the Project Approval Board (PAB) to consider the Annual Work Plan & Budget 2016-17 of integrated RMSA for the State of Rajasthan was held on 7th April, 2016, under the Chairpersonship of Dr. S. C. Khuntia, Secretary (School Education & Literacy).

2. The list of participants who attended the meeting is at **Annexure-I**.
3. Secretary (SE&L) welcomed all the participants. In his opening remarks, he appreciated the efforts of the State and the overall progress made by the State under RMSA. JS (SE.1) gave a detailed overview of the status of implementation, planning and monitoring of RMSA components in Rajasthan. He also highlighted the areas of concern and details of the proposals of the Annual Work Plan & Budget (AWP&B) for RMSA for 2016-17. A copy of the presentation is at **Annexure-II**.

Discussions were held on the areas of concern, point wise, as follows:

I. Educational indicators:

- (a) The Gender Parity Index (GPI) for the State of Rajasthan is 0.87 against the national GPI of 1 which is very low. Secretary (SE&L) emphasized that sustained efforts on the part of the State will be required to improve the GPI of the State. It was further pointed out that the GPI is further lower for the districts of Jaisalmer (0.49), Jalore (0.59), Sirohi (0.65), Barmer (0.69) and Jodhpur (0.71). Secretary expressed his concern and desired that proactive measures to address this issue are imperative especially from the point of view that child marriage is quite prevalent in the state and education of girls at secondary level could be potent strategy to address this social malaise.
- (b) The overall enrolment at secondary level has not shown much improvement in the State in the last 2 years in as much as the enrolment at secondary level is 23.2 lakh and 23.31 lakh in 2014-15 and 2015-16 respectively which is almost static. The Secretary (Education), Rajasthan shared that the enrolment has actually increased in the secondary level in the State due to sustained efforts of the Education Department. He assured that he would examine the issue and take all necessary corrective measures.

- (c) The Gross Enrolment Ratio (GER) for the State of Rajasthan has decreased in the last 2 years from 78.68 in 2013-14 to 75.38 in 2015-16 which is a matter of serious concern. Out of 33 districts in the State, the GER for 17 districts is lower than the GER of the State. The Secretary (School Education), Rajasthan assured to take corrective measures in this regard.
- (d) The districts of Jaisalmer (GER 37.80%, NER 16.99%), Barmer (GER 49.04%, NER 21.86%) and Jalore (GER 52.01%, NER 28.54%) are having very low GER and NER therefore need special attention. Secretary (Education), Rajasthan, informed that these areas are tribal dominated and desert area where population density is very less which are responsible for adverse educational indicators in these districts. He however assured that concerted efforts in the field of secondary education are being made.
- (e) Gross Access Ratio (GAR) of the State is 76.26%. Out of the total 143675 habitations in the State, 109577 habitations are served by secondary school within a distance of 5 km. The districts of Pratapgarh (27.84%), Bhilwara (26%), Bharatpur (16%), Ajmer (44%), Alwar (61%) and Karauli (55%) have very low GAR compared to the State average GAR of 76.26%. The Secretary (School Education), Rajasthan informed that there seems to be some issue with the data and assured to check the same.

II. CIVIL WORKS:

The State had been sanctioned civil works in respect of 114 new schools, strengthening in 4183 existing secondary schools, and 1752 major repair works under RMSA. The overall completion of sanctioned civil works in the State is 83.83%, with 7.76% works in progress and 9.4% of the works yet to be taken up by the State. Secretary (School Education), Rajasthan informed that all the 114 new schools, which were approved in 2015-16, have already been made functional and the construction work is likely to start from July, 2016. He also assured that all the civil works, which are in progress, will be completed by February, 2017.

III. ICT:

The State has so far been approved 7125 schools for implementation of ICT component of converged RMSA Scheme out of which 4600 schools have completed 5 years of implementation cycle, implementation has started in 2000 schools in 2014 and for the balance 525 schools, which were approved in 2015-16, the contract has been awarded through NIC. The Secretary (School Education), Rajasthan requested for approval of 3000 more schools to be covered under ICT as the State could cover only 51% of all the secondary and higher secondary schools till date. Keeping in view the progress indicated by the State, approval was accorded for implementation of ICT in additional 303 schools having computer rooms and an enrolment of at least 30 students. The list of the 303 secondary and higher secondary schools is at **Annexure-V**.

IV. GIRLS HOSTELS:

Out of 186 girls' hostels sanctioned to the State so far, the construction work has been completed in 142 hostels while the construction work is in progress in remaining 44 girls' hostels. It was however pointed out that the capacity of most of these constructed girls' hostels is less than the approval for 100 bedded hostels. Secretary (SE&L) enquired about capacity of each of the hostels and desired the State to provide for balance funds required to make all the hostels with 100 bedded capacity. He emphasized that in view of low GPI in the State, the importance of girls hostel cannot be undermined. The Secretary (School Education), Rajasthan assured to provide the information expeditiously about the capacity of all hostels and also to provide additional resources from the State to ensure that all the hostels have full capacity as per norms.

V. VOCATIONAL EDUCATION:

The State has implemented VE in 290 schools approved till date. In the supplementary PAB held in 2015-16, in principle approval for implementation of VE in 380 more schools was accorded. Accordingly, the budget for these 380 schools was approved for 2016-17.

VI. NAS PERFORMANCE:

The National Assessment Survey (NAS) conducted by NCERT for class X indicates that in the State of Rajasthan, percentage of the students who have scored marks from 0 to 50% is 98% in English, 87% in mathematics, 85% in science and 63% in social science, clearly indicating that the quality of education being imparted in the State needs to be strengthened through appropriate measures.

VII. OTHER ACTION POINTS

- GIS mapping in respect of 115118 schools has been done in the State but coordinates of remaining 5757 schools are yet to be provided.
- The Aadhar seeding of 43.6% children of the age group of 5 to 18 years is yet to be done by the State.
- The State has 1308 schools without electricity.
- The State also has vacancies of 10954 teachers including headmasters.
- Shortage of English teacher as well as science and maths teachers is badly reflecting on quality of education in these subjects in the State

The Secretary (School Education), Rajasthan assured of expeditious action on all these action points and also informed that as teacher recruitment is in process, teacher availability status will improve by July 2016.

	New components approved
4.	Non-recurring
4.1	New Schools: Against the proposed 344 one section schools, the PAB approved 76 two section schools and 50 one section schools @ Rs. 95.05 Lakh and Rs. 74.97 lakh resp. as per SSOR of the State. Two section schools are approved where the expected enrolment for class IX is 70 and 50 for SFDs. Due to low population density in the State, Secretary (School Education), Rajasthan requested to approve one section schools. PAB agreed to approve 50 one section schools where the expected enrolment is at least 35 or 25 in SFDs. The total outlay approved for new secondary schools is Rs. 10972.30 lakh. List is at Annexure-VI
4.2	Strengthening of existing secondary schools: The State proposed strengthening for 3322 existing secondary schools. The proposal was considered and approval of strengthening of 79 secondary schools for a total sum of Rs. 4654.86 lakh was recommended. The Secretary (School Education), Rajasthan highlighted the position of a large number of secondary schools in the State not covered under provision of RMSA for strengthening purposes. He also emphasized that the State Govt. is making all out efforts to ensure timely completion of all the approved construction work under RMSA. Keeping in view the persistent request of the State, a provisional approval of strengthening of schools for another 100 crore was in-principle accorded subject to the State providing a list of eligible schools where such strengthening is to be undertaken. The State thereafter provided a list of 305 schools (which included 74 schools from the previous list of schools considered in the appraisal) out of which only 204 schools were found eligible for strengthening as per norms. The State therefore again forwarded

	<p>another list of 296 schools, (including the 204 schools found already eligible). Out of these 296 schools, finally 224 were now found eligible for strengthening as per RMSA norms (86 additional class room, 186 integrated science labs with lab equipments, 180 Computer rooms, 186 Libraries, 216 Art / craft rooms, 14 toilets for CWSN and 9 water facility) for an amount of Rs. 9471.52 lakh.</p> <p>Since despite sufficient time being given to the State, only 224 schools were found eligible, hence strengthening of 224 secondary schools with a total outlay of Rs. 9471.52 lakh was approved. List is at Annexure-VII</p>	
4.3	ICT @ school	
	<p>The State proposed for implementation of ICT in 3000 schools in addition to 7125 already approved schools. The PAB approved for implementation of ICT on outright purchase model as proposed by the State for 303 schools which have computer room and enrolment of atleast 30. The outlay was approved @ Rs. 6.4 lakh totalling Rs. 1939.20 lakh.</p>	
4.4	Equipment for Resource Room:	
	Equipments for resource rooms under IEDSS for 46 uncovered blocks were approved @ Rs. 70,000 per room with an outlay of Rs. 32.20 lakh	
4.5	Tools, Equipments and Furniture for Vocational Education:	
	An amount of Rs. 2620.10 lakh was approved for purchase of tools, equipments and furniture for implementation of vocational education component in 380 new schools @ Rs. 6.895 lakh per school. The list of these 380 schools is at Annexure-VIII .

8. The following points were brought to the notice of Secretary (Education), Rajasthan for corrective action:

- (i) Emphasis should be given to quality learning outcomes through timely recruitment of teachers against vacancies, optimal use of teachers training for science and mathematics where linkages with good resource persons from higher education institutions should be drawn upon. The State shall take findings of National Assessment Survey to identify the gaps in learning level of the students and take corrective measures to address these gaps.
- (ii) The State was advised to ensure implementation of Shaala Sidhi programme in all schools.
- (iii) The State was advised to collect teachers' data in respect of all teachers deployed in all schools in the State especially with regard to their qualification and training etc.
- (iv) Special efforts need to be made for improving the GPI in the State.

9. The release of funds to different components of RMSA will be further guided by the following conditions:

- (i) The State Administration will give a written commitment for meeting its share of the converged RMSA Scheme of the budget approved according to prescribed sharing pattern of the schemes. The budget provision may also be communicated to the Ministry immediately after presentation of the State budget.
- (ii) SMDCs should be constituted in all schools and bank accounts may be opened by them to take care of school grant, civil works and other such expenditures.
- (iii) The first installment would be released based on the provisional Utilization Certificate for 2015-16, audit report for 2014-15 and subject to full release of proportionate State Share corresponding to Government of India share released during the previous financial year.
- (iv) The second installment would be released only after (a) the proportionate installment of State Share has been released, (b) at least 50% expenditure against available funds has been incurred, (c) audit reports and utilization certificate have been received for funds released in the year 2015-16.

10. The meeting ended with a vote of thanks to the Chair.
