MINUTES OF THE PROJECT APPROVAL BOARD (PAB) MEETING HELD ON 26TH MARCH 2015 FOR APPROVAL OF ANNUAL WORK PLAN & BUDGET (AWP&B) 2015-16 OF RAJASTHAN UNDER THE CENTRALLY SPONSORED SCHEME OF THE INTEGRATED RASHTRIYA MADHYAMIK SHIKSHA ABHIYAN (RMSA).

1. The meeting of the Project Approval Board of the integrated RMSA to consider the AWP&B 2015-16, including the components of ICT @ Schools, Girls' Hostels, Vocational Education (VE) and Inclusive Education for the Disabled at Secondary Stage (IEDSS) for the state of Rajasthan under the Chairpersonship of Ms. Vrinda Sarup, Secretary (School Education & Literacy).

2. The list of participants is placed at **Annexure-I**.

RASHTRIYA MADHYAMIK SHIKSHA ABHIYAN (RMSA)

3. Secretary (SE&L) welcomed all the participants and in her opening remarks appreciated the efforts made by the state and overall progress achieved under RMSA. While indicating the current overall outstanding committed liabilities of **Rs. 27965.67 lakhs** under non-recurring head, Secretary expressed concern over the general backlog of civil works in the state and slow progress in completing these works. She pointed out that this significantly limits the capacity of the State to upgrade new schools.

She referred to the Swachh Vidyalaya initiative and underlined the need for ensuring completion of all the toilets sanctioned under RMSA under new/upgraded schools and under strengthening of schools, expeditiously. Secretary (S&L) informed that the construction of toilets approved during special PABs held in November-December 2014 (to fill the gaps indicated as per UDISE 2013), and for which the central share of non-recurring grant has already been released, should be completed by the States by May, 2015. She advised that gaps of toilets, if any, in the government secondary schools based on UDISE 2014 should be included by the States/UTs in their AWP&B proposals for 2015-16.

On interventions focussed on quality, she shared with the state the initiative being taken under Rashtriya Aavishkar Abhiyan (RAA) with a view to focus on subjects of science and mathematics and the need for the States to synergise and enhance their efforts towards impacting the overall quality of science and mathematics education in secondary schools including building capacity of mathematics and science teachers. She advised the States to adopt and adapt the modules for teacher training on science and math as developed by NCERT while imparting in-service training to teachers.

It was informed that NUEPA has developed a framework of national School Standards and Evaluation that aims to bring out key facets of school standards, and its evaluation for further school improvement. Funds are being provisioned for a 3 day

orientation workshop of educational administrators both at district and state level, on the framework and its implementation. NUEPA has been requested to develop a module that can be used by the States to conduct the orientation workshop. It is also important that selection of first set of these educational administrators for this workshop is done in a manner so as to ensure that they in turn are able to conduct further sensitization of their teams.

Secretary (SE&L) referred to the need for States to pay more attention to quality of 'Inclusion' in schools specially availability of Special educators, identification of CWSN and focused support to their leaning needs, which currently is a matter of concern in most States.

Secretary (SE&L) also advised the State to utilize the services of CTEs, SCERTs & DIETs for in service training of secondary schools teachers in a regular manner.

Secretary (SE&L) also shared about the new initiative of 'Kala Utsav', a national event that would build on State's current activities to promote and encourage local arts and cultural heritage amongst students. This would be steered by NCERT in coordination with States and a specific line item with funds is being earmarked in the current Plan approvals. Detailed note on 'Kala Utsav' is placed at **Annexure-II**.

Thereafter, Ms. Ankita Mishra Bundela, Deputy Secretary (RMSA.1) gave a detailed overview of the status of implementation of integrated RMSA in Rajasthan. Copy of presentation is place at **Annexure-III**.

4. Areas of Strength

It was informed that in the past four years, the State government has upgraded 3877 new secondary schools and 1323 new higher secondary schools from the State budget till the year 2014-15.

5. Areas of Concern Highlighted include:

- The Gross Enrolment Ratio has declined from 71.12% to 69.68%.
- The dropout rate has increased from 8.09% in 2012-13 to 12.16% in 2014-15 in the state.
- The general variation in the UDISE data pertaining to educational indicators across the years indicated that more efforts needs to be in by the State in orienting the teachers and personnel regarding filling in of the yearly data capture formats of UDISE. PAB desired that filling in UDISE should be included as part of the teacher training package.
- 59 government secondary schools do not have any enrolment
- Though the State has taken up 88% of civil works approved under RMSA only 30% have been completed.

- The Girls Hostels in the State are functioning at sub optimal enrolment. In the State 130 functional girls hostel have only 6461 girls enrolled which is approximately 50% of the capacity created under the Scheme.
- Under ICT, 6600 schools were approved out of which 2600 schools have completed 5 years. 2000 will complete 5 years in August 2015 and balance 2000 are under implementation. It was clarified that recurring expenditure incurred for the schools where the scheme is under implementation will be considered for reimbursement on submission of complete details.
- Under IEDSS, construction of 237 Resource rooms and removal of architectural barriers in 3311 schools were approved . However no work has been reportedly taken up by the State

6. The Principal Secretary, Education, Rajasthan Shri. Naresh Pal Gangwar, assured the PAB that the State Government will complete pending civil works by year-end 2015. He agreed to tap the State resources to improve the condition of girls hostels. He informed that the ICT and vocational education schemes have been well received in the State and requested for additional approvals under these components .

7. Annual Work Plan and Budget for 2015-16:

11. The PAB brought the following points to the notice of Secretary (Education), Rajasthan and requested for corrective action:

- (i) Large backlog of the incomplete civil works must be completed expeditiously and monitored regularly.
- (ii) The State needs to conceptualize and create the necessary facilitative changes to ensure that vocational education component of RMSA in secondary/ senior secondary schools provides a viable option to students.
- (iii) Emphasis should be given to quality learning outcomes through timely recruitment of teachers against vacancies and optimal use of teachers training for science and mathematics. Linkages should be drawn with resource persons from higher education institutions for teacher training
- (iv) The State to facilitate the completion of NAS for class X being conducted by NCERT.

12. The release of funds to different schemes will be further guided by the following conditions:

- i. The state administration shall give a written commitment for meeting its share of the converged RMSA scheme of the budget approved according to prescribed sharing pattern of the schemes. The provision in the budget may also be communicated quickly to the Ministry.
- ii. SMDCs or equivalent bodies should be constituted and accounts opened to incur expenditure under school grant, minor repair, civil works, and other such

expenditures which have to be incurred through these bodies as per RMSA norms.

- iii. The State Government will maintain their level of investment in secondary education as in 2009-2010 and give the details of this to GOI before the release of second installment
- iv. The second installment would only be released after (a) the proportionate installment of state share has been released, (b) at least 50% expenditure against available funds has been incurred, (c) utilization certificate has been submitted for funds released in the year 2013-14 and (d) Audit Reports have been submitted for the year 2014-15

The meeting ended with a vote of thanks to the Chair.

Note for promotion of Performing Arts in Secondary Schools and showcasing as a national annual event – Kala Utsav

“Rashtriya Madhyamik Shiksha Mission recognizes the importance of aesthetics and artistic experiences for secondary level children, especially in view of the role that such experiences can play in creating awareness of India’s cultural heritage and its vibrant diversity”.

In the context of education of arts (music, theatre, visual arts and dance) and heritage crafts, the Mission is guided by the recommendations of the National Focus Groups on these subjects and the report of the CABE Committee on Culture. The syllabus for arts developed by NCERT should be followed and teachers who have been appropriately trained should be appointed for art education. Art is to be treated as a part of the curriculum and not as an extra-curricular activity. As recommended by NCF-2005, art education must become both a tool for the enrichment of learning in all subjects, and also as a subject in its own which is taught in every school up to class X and facilities for the same may be provided in every school.” (RMSA Framework)

Performing arts have a key place in this context, especially when there is an attempt to bring together the mind and the body, aesthetically while imbibing and carrying forward the rich and great art forms of this diverse country.

In the six years of RMSA implementation, few States have been organizing Annual Art and Literary Competitions and Festivals at the School, District and State level. Such an initiative in Kerala (Kalloltasavam), includes promotion of Classical Dance forms of Kuchipuddi, Monhiniattam, kathakali, Bharatnatyam, as well as traditional performing arts like Thiruvathirakali, Oppana, Margamkali, Yakshaganam, Instrumental classical and folk music, etc. In addition, literary activities like Story Writing, Art Competition (Drawing and Painting) are also held, in which outstanding and high quality performances are selected for competing at a higher level, ending with the selection of the best performances at the State level during the week long School Art Festival.

Kala Utsav :

With the objective of encouraging such initiatives across all States and to promote and showcasing such promising talents at the National stage, an annual event at the National level, **Kala Utsav** is proposed to be organised. **The event shall focus on performing arts – dance, music and theatre.**

This event will be the culmination of activities that will begin with schools conducting and identifying talents to represent it at District level, and the District to the State.

The shortlisted schools will represent States at the National event and exhibit their talent in three main art forms: **Dance, Music and Theatre**. Since it is a school based activity, focus and preference will be for **group** presentations, over individual talents.

Implementation

As part of the RMSA interventions, States shall be supported (through NCERT), in

- (i) Organising, and managing activities including competitions at the district and State level

- (ii) Develop, nurture and showcase such talents in Govt Secondary and Higher Secondary Schools
- (iii) **The District/State/National competition may be structured as a performing art festival which include workshops, live performances etc.**

KALASHAALA SAMMAN

Annual KALA UTSAV to be held preferably in January would entail States planning their calendar of events accordingly so that they work towards short listing entries to national event by November of every Year. Since this would need continuous support and follow up NCERT would anchor this event as a project under the RMSA, and all funds earmarked for this can be transferred to NCERT for coordination with States.(similar to National Science Exhibition that NCERT coordinates.)

Each winning State / School will be awarded Rs 5 lakhs for First prize, Rs 3 Lakhs for Second prize and Rs 2 lakhs for Third prize. **The award categories shall include (i) innovative acts, (ii) endangered / dying art form, (iii) performance by especially abled students among other categories of arts.** The prize will also recognize the students and teachers who have demonstrated outstanding achievement in the areas. **The national prize shall include a short summer workshop at premier institution under tutelage of leading artist for winning performers in addition to monetary prizes.**

At the State / UT level, Rs One lakh would be allocated to be given away to the Best School in Performing Arts during the year.

The School would decide how to award the students and teacher/s in recognition of their achievement and effort.

Selection

The initial selection shall be made at the District level by a District Committee from amongst the schools selected by the District Committee, on the parameters outlined. The parameters for number of entries at each level, winning entries / eligibility of schools etc. are being worked out by NCERT and shall be shared with the States / UTs shortly.

The State Selection Committee shall scrutinize and shift the recommendations of the District Committee and select the schools from among the selected/recommended schools sent by the Districts for the State level Award and the State entry to the Central Selection Committee for further consideration for National level Award.

The State Level Committee may consist of the Commissioner / Director of Education or Commissioner/ Director of Public Instructions as Chairman, Head of SCERT as Member Secretary, and an Expert / Experts as Member/ Members. The Secretary (Secondary Education) will scrutinize the selection and forward the same to Department of Art Education, NCERT, New Delhi.

NCERT, New Delhi, will organize a National Level School Art Festival, which would serve as a forum to show case the short listed entries/ performance and from which the Selection Committee / Jury would then select the winners.

The composition of the Committee will be as follows:

Chairman Director NCERT

Expert Members (3) (Music, Dance, Theatre) (to be finalised by director NCERT)

Head, Department of Art Education, NCERT –

Member Secretary

Financial implication:

State support will be provided as part of Annual Plan proposal and under Quality interventions. Arts and Crafts is an existent item of intervention, where States have been provided funds for similar activities. This year States shall be requested to ensure that this is incorporated in their Annual proposals.

The total projected cost at national level would be around Rs. 1.00 Crore. As per details given below:

(i)	State level Award for Best School @Rs 1 lakh per State/ UT (Allocation to State)	36.00
(ii)	Advertisement announcing the competition (Allocation to NCERT)	3.00
